

LEESBURG

VOLUNTEER FIRE COMPANY

WWW.LEESBURGFIRE.ORG

READY TO SERVE!!!

Since 1863, the Leesburg Volunteer Fire Company has been coming to the aid of area residents in their time of need. Over the 148 years we've been serving our community, almost everything involved in fire suppression has changed. From major advances in fire engines and protective gear, to enhanced tactics and training, today's fire service is very different from the bucket brigades of our distant past. What hasn't changed in all this time is the dedication of our most important asset; our people.

The members of the Leesburg Volunteer Fire Company are your neighbors. We live in this community, just like you. Though you may not know us personally, rest assured, we're here, like the best of neighbors, ready to help you when you need help the most. Just as you count on us, we count on you. Without your generous financial support, we'd be unable to obtain the equipment we need to protect our community, our firefighters, and you, our neighbors.

Won't you help us? We rely on your tax-deductible contributions to help fund our operations. In these difficult economic times, remember that our members continue to donate thousands of hours of their time to keep the cost of emergency services as low as possible.

Please take a minute right now to find your checkbook and send in a donation today. If you'd prefer, you can make a contribution using your credit care through our website at www.leesburgfire.org.

Our members are deeply committed to our community. Each year, they provide thousands of hours of volunteer service, answering emergency calls, providing public education, and even bringing Santa Claus to many neighborhoods in Leesburg. Continuing this tradition of service is our primary goal, but we need your support! Please help us to continue traditions Leesburg has come to cherish.

YOUR local Volunteer Firefighters:

- Live in YOUR community.
- Reduce YOUR tax dollars.
- Need YOUR on-going support.
- Could save YOUR life!

Together, we buy second chances!

Fire Safety Tips

TAKE A MOMENT ... GIVE SOME THOUGHT TO THESE TIPS

In Case of Fire

Plan Your ESCAPE

Know two ways to exit your home, especially from bedrooms.

COOL a burn

Treat minor burns with cool water.

Smoke Detectors Save Lives

CHECK YOUR DETECTOR

Does Yours Work?

WANTED: We are always looking for new members to join our team of dedicated volunteers. If you are interested in helping others in their time of need and you have the desire, we will provide the training, the equipment, and the support to help you become an active member of one of your community's vital organizations. Visit: www.lesburgfire.org for more information.
